TO: GPMB.LDA

Good day

Ithuba Valves and Industrial Supplies cc (Specialists in design, manufacturing, refurbishing, in-situ repair, installation, removal and commissioning of valves for use in the waterworks and power generating industry) is writing this letter as a confirmation to confirm that we will support and supply GPMB.LDA with required/ requested products, spares and technical information. We really looking forward to doing business abroad and expanding our name and products abroad.

Kind Regards

Ithuba Valves and Industrial Supplies cc
M. Sekatane
